

Welcome to Rosehill Public School Preschool 2022

A social story to read with your child
about starting preschool.

Next year I will be going to preschool. It will be lots of fun. My preschool is Rosehill Public School Preschool.

I will go to preschool two or three days a week:

Monday, Tuesday, Wednesday or
Wednesday, Thursday and Friday.

Saturday and Sunday is when I spend time with my family.

I need to arrive at preschool by 8:55am and be picked up by 2.55pm.

If my parents are running late they need to call the school office on 9637 2202.

I will pack my bag after lunch time.

I take care of my belongings.

I will put the fun things I have made in my bag to show my family.

I will learn to be independent.

When I am at preschool I need to listen to the teachers and follow the preschool rules.

We have expectations to create positive learning environments that enable student learning and well being.

This is promoted in our school for preschool to Year 6 students.

Our school code is:

We are Safe

We are Respectful

We are a Learner

We always Care

I will need to bring my hat to preschool everyday.

I must always wear it for outdoor play to be sun safe.

My preschool has toilets in both rooms. I do not need to ask to go to the bathroom.

I go to the toilet all by myself.

I flush the toilet and wash my hands after each visit.

My room might look like this one.

I will sit on the mat for group time and at the tables to participate in activities.

I will see children from the other preschool class throughout the day.

We will play outside or join together for group time.

We will play cooperatively and safely with each other.

I will have a classroom where I can play inside. I will listen to stories, sing songs, dance, draw, paint and play.

I will engage in early literacy and numeracy activities.

I will participate in group time learning about current interests.

This is our outdoor play area.

During outdoor play we learn how to be social and play with other children.

We learn fundamental movement skills for games and sport.

We participate in activities that allow for us to explore and care for the environment.

When I am at preschool
I will put my bag in my locker.

I will place my morning tea and lunch in
the top part of my locker.

My drink bottle always sits on top.

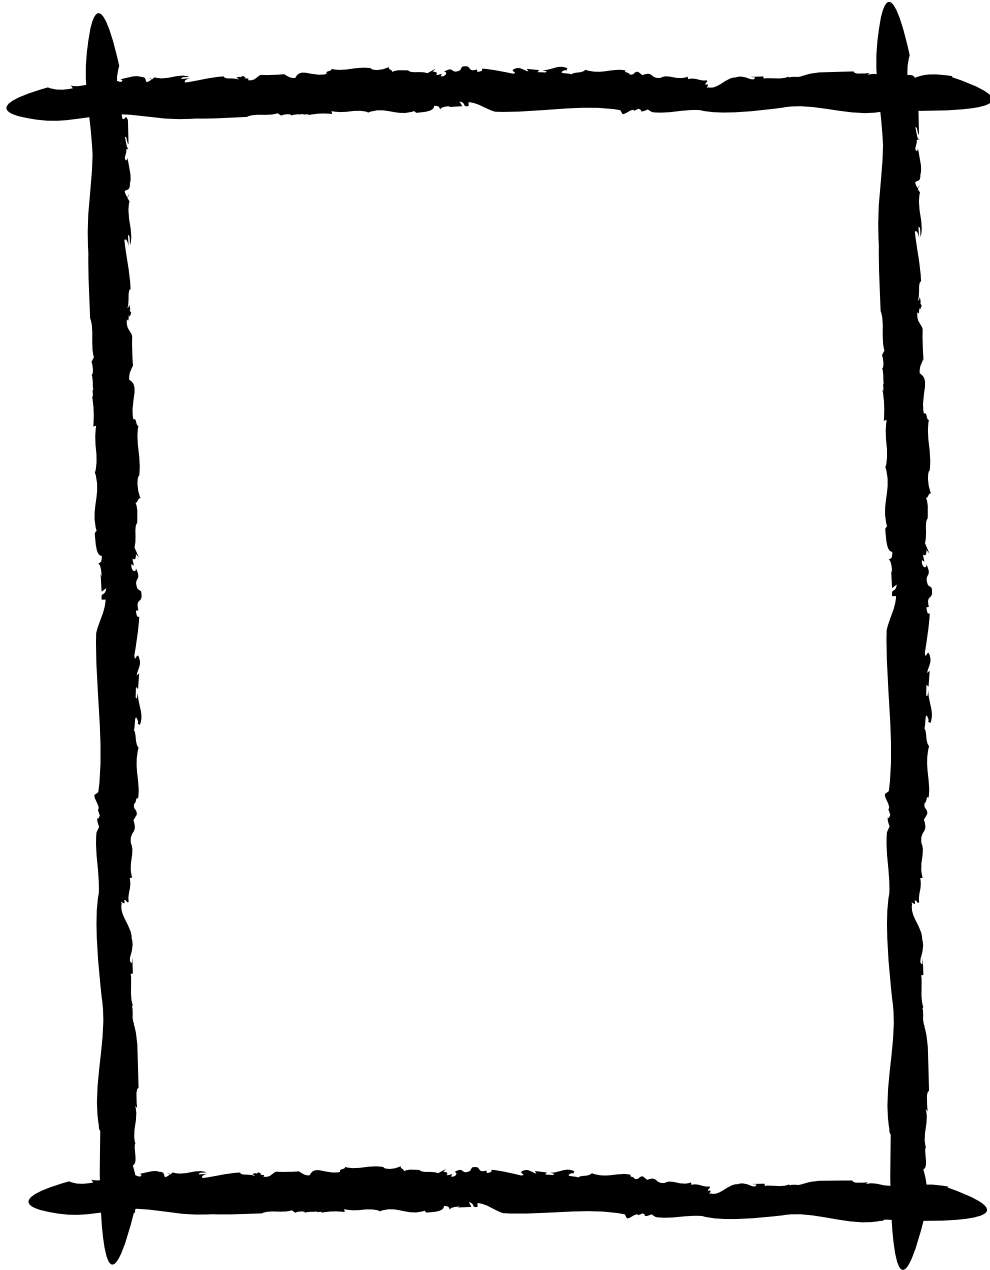

Preschool will be exciting for me.

I will build trusting relationships with
educators and peers.

I will learn new things and make lots of
friends during my time here.

Draw yourself coming to
preschool.

I will be happy coming to preschool.

I will say goodbye to my mum, dad or
carer.

I know I will see them in the afternoon.
